MAIN BIOGRAPHY

Jessi Orme is a bilingual client service professional with ten years of experience and a licensed property and casualty insurance agent.

In Jessi's role as a Senior Account Manager, her responsibilities include client service and coordination of insurance programs. Jessi evaluates insurance programs for accuracy and effectiveness. She helps clients understand their own insurance programs as well as other insurance products applicable to their industries. Jessi's work includes reviewing client contracts, helping clients design and implement subcontractor or vendor compliance programs and evaluating insurance products from a multitude of insurance companies. Jessi works closely with regional and national insurance companies, as well as heading the Arges service team's work with The Captive Group and our strategic partners in Canada, to find unique insurance solutions to fit every client's specific needs.
